## 2η Εργαστηριακή Άσκηση

Γερακάρης Βασίλης  
<[vgerak@gmail.com](mailto:vgerak@gmail.com)>  
Α.Μ. :03108092

18/05/2012

## Εισαγωγικά:

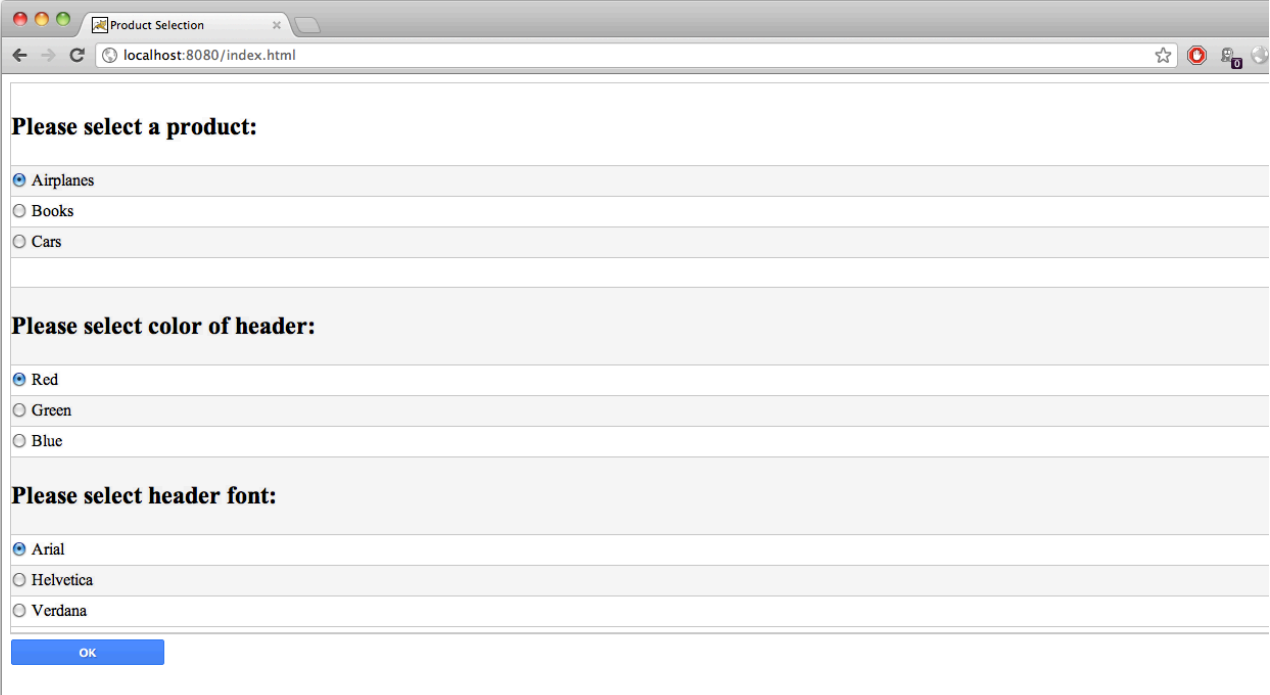

Σε αυτή την εργαστηριακή άσκηση κληθήκαμε να γράψουμε μια web εφαρμογή με χρήση ενός servlet , η οποία μετασχηματίζει αρχεία .xml προκαθορισμένης μορφής με χρήση ενός .xsl αρχείου ως DOMSource.

Για την ανάπτυξη αυτής της εφαρμογής χρησιμοποιήθηκε το IDE Eclipse Java EE Indigo για τη συγγραφή του κώδικα, ο Apache Tomcat 6.0.35 web server και ο περιηγητής ιστού Google Chrome 18.0.1025.165 (από τον οποίο προέρχονται και τα screenshots), πάνω σε λειτουργικό MacOS X.

Εκτός το κομμάτι της Java, χρειάστηκαν γνώσεις XML, XLS και XPATH, ενώ έγινε και συγγραφή δύο αρχείων CSS, για βελτίωση του αισθητικού αποτελέσματος της ιστοσελίδας.

## Screenshots:

Ακολουθούν χαρακτηριστικά στιγμιότυπα οθονών από την εκτέλεση της εφαρμογής:

The screenshot shows a web browser window with the title "Product Selection" and the address bar displaying "localhost:8080/index.html". The page content includes three sections, each with a heading and a list of radio button options:

- Please select a product:**
  - ☒ Airplanes
  - ☐ Books
  - ☐ Cars
- Please select color of header:**
  - ☒ Red
  - ☐ Green
  - ☐ Blue
- Please select header font:**
  - ☒ Arial
  - ☐ Helvetica
  - ☐ Verdana

At the bottom of the form is a blue button labeled "OK".

*Αρχική σελίδα - επιλογές*

The screenshot shows a web browser window with the address bar displaying 'localhost:8080/XMLTransformerAskshsh'. The page title is 'List of airplanes'. The header is a solid red bar. Below the header is a table with the following data:

brand	model	company	capacity	weight	cost
Boeing	747	Aegean	220	81600	\$229100
AirBus	A380	EasyJet	850	391000	\$319095
Bombardier	Global 5000	Aegean	25	40700	\$259958

Below the table is a 'Back' button. The background of the page features a large, stylized white dollar sign and a white silhouette of a person walking on a grey path.

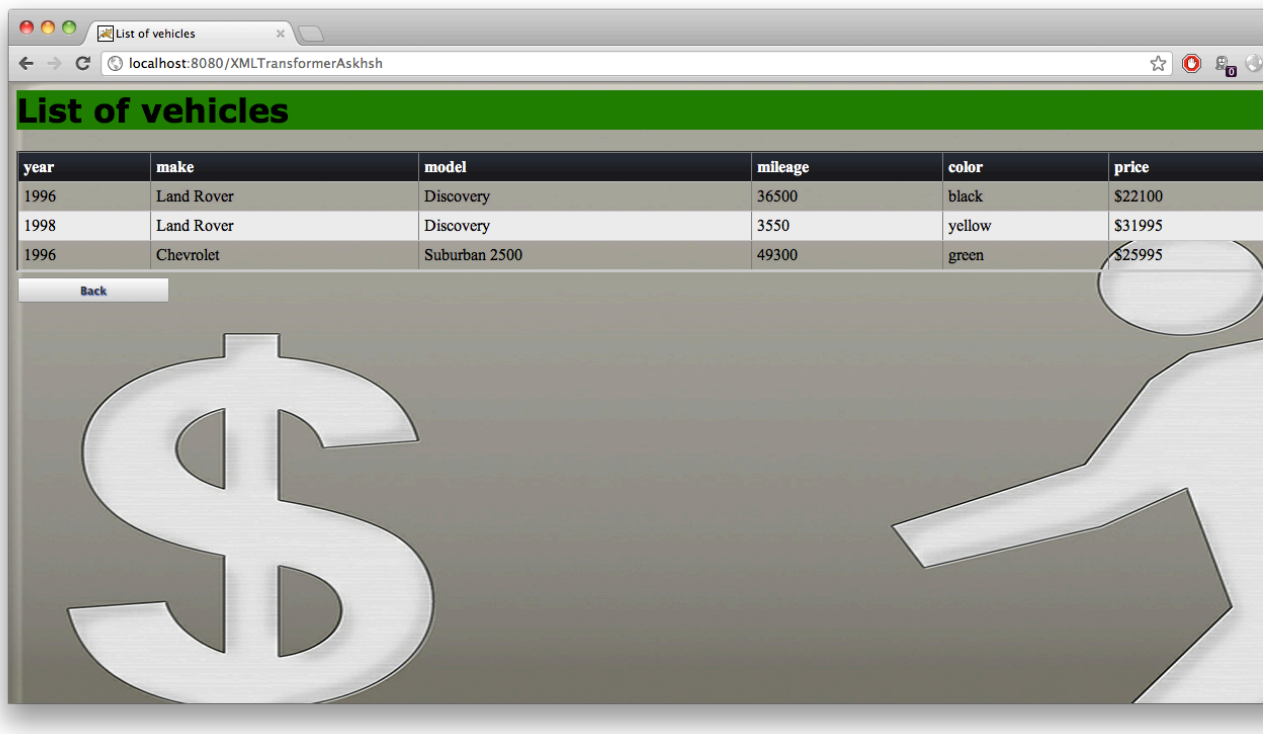

*Επιλογή: Airplanes – Red - Arial*

The screenshot shows a web browser window with the address bar displaying 'localhost:8080/XMLTransformerAskshsh'. The page title is 'List of books'. The header is a solid blue bar. Below the header is a table with the following data:

title	writer	publisher	pages	version	RetailPrice
The Dark Tower	Stephen King	Harper Colling	520	40	\$25
The Alchemist	Paolo Coelho	Penguin Group	850	12	\$35
Aksion Esti	Odysseas Elytis	Psychogios	490	47	\$20
Le petit prince	Antoine de Saint-Exupéry	Gallimard	390	27	\$40

Below the table is a 'Back' button. The background of the page features a large, stylized white dollar sign and a white silhouette of a person walking on a grey path.

*Επιλογή: Books – Blue – Helvetica*

Επιλογή: Cars – Green – Verdana

## Source Code:

Παρατίθενται τα αρχεία του πηγαίου κώδικα που συγγράφηκαν για τις ανάγκες της άσκησης.
